

Scales of Administrative Expenses and Arbitrator's Fees as of 1 January 2017

Below are the amended provisions of Appendix III to the ICC Rules of Arbitration, effective as of 1 January 2017. (N.B. Separate scales will apply to the expedited procedure effective as of 1 March 2017.)

Article 1: Advance on Costs

- 1 Each request to commence an arbitration pursuant to the Rules must be accompanied by a filing fee of US\$ 5,000. Such payment is non-refundable and shall be credited to the claimant's portion of the advance on costs.

Article 4: Scales of Administrative Expenses and Arbitrator's Fees

- 1 The scales of administrative expenses and arbitrator's fees set forth below shall be effective as of 1 January 2017 in respect of all arbitrations commenced on or after such date, irrespective of the version of the Rules applying to such arbitrations.
- 2 To calculate the ICC administrative expenses and the arbitrator's fees, the amounts calculated for each successive tranche of the amount in dispute must be added together, except that where the amount in dispute is over US\$ 500 million, a flat amount of US\$ 150,000 shall constitute the entirety of the ICC administrative expenses.
